

INTELLIGENT TECH & THE HR REVOLUTION EXECUTIVE ROUNDTABLE SERIES

27TH NOVEMBER,
BRAND EXCHANGE, BANK

The aim of our Executive Roundtable is to offer senior HR stakeholders the opportunity to discuss trends and strategy, share experience and explore solutions in a private, collaborative, peer to peer environment.

Facilitated by:

Emma Parry

Professor of Human Resource Management at Cranfield School of Management

Matt O'Neil

Futurist at Futurist.Matt

Adam Gibson,

CIO at Odgers Berndtson

Example Discussion Topics:

- How can AI improve talent acquisition, candidate screening (eliminate unconscious bias) & onboarding?
- Performance analysis & behavioural assessment
- Improving the candidate & employee experience using People Analytics & Intelligent Technology
- Ever increasing data pools – how can People Analytics support more informed strategic decision making?
- Using chatbots and AI in employee benefits service centres and in outbound communication
- AI and Analytics in Learning – accurately allocating the right course to keep up engagement & continual learning
- AI and ML in team-making, especially with flex and gig workers, to assemble the most effective teams
