

GLOBAL HR EXECUTIVE LEADERS DISCUSSION

Global HR
Executive

20TH NOVEMBER 2019

LONDON

Facilitated by Global HR Executive, the aim of our HR Executive Leaders Discussion Series is to offer HR Leaders the opportunity to discuss trends, share experience and explore solutions in a private, collaborative, peer to peer environment.

INTELLIGENT TECHNOLOGY & THE HR REVOLUTION

- AI within Learning and Development – how can we accurately allocate the right course and drive continual learning?
- Mastering communication and collaboration in the modern workplace.
- The next generation approach to enhancing employee engagement and experience.
- Talent acquisition, candidate screening (eliminating unconscious bias) and onboarding.
- Ever increasing data pools – how can people analytics support more informed strategic decision making?
- Analysing recognition techniques and practises that have been proved to be effective in connecting people to organisational mission and values.
- Examining how your organisation can use the power of reward to attract and retain not just millennials, but your entire multi-generational workforce.
- How to place wellbeing at the heart of a company culture, championed by its leadership?
- Exploring forward-thinking and inspiring health and wealth wellbeing initiatives to significantly improve organisational culture.
